Career Objective

Pre-final year Computer Science undergraduate student at NIT Mizoram, with a strong desire to thrive as Software Development Engineer. Pros dab hands at full-stack web development with Next. js, React. js, Node. js, Express, MongoDB and Tailwind CSS) who loves building scalable user-focused solutions.

Education

Degree	Institute	Board / University	CGPA/Percentage	Year of passing
B.Tech	National Institute of Technology, Mizoram	NIT Mizoram	9.69 (Till 5th Sem)	2027
XII	Jawahar Navodaya Vidyalaya - 2, Sitapur	CBSE	92.8%	2022
X	Jawahar Navodaya Vidyalaya - 2, Sitapur	CBSE	96%	2020

Internships

- **Full Stack Web Developer Intern** **Duration:** April 2025 – October 2025 (Remote)
  Young Thames Public Relations Pvt. Ltd.
  - Worked on live projects like **DoStartup**, **CRM**, and **GhumTrip**, building and improving full-stack web applications with the team.
  - Developed clean and responsive frontends using **Next.js**, **React.js**, **TypeScript**, **HTML**, and **Tailwind CSS**.
  - Created and managed backend systems with **Node.js** and **Express.js**, using **MongoDB** and **PostgreSQL** for data storage.
  - Integrated **Appwrite** for authentication and server-side functions, and deployed applications on **AWS**.
  - Used **GitHub** for version control and teamwork, handling commits, pull requests, and reviews.
  - Took part in the full development process—from planning and coding to testing and deployment.
- **SDE Intern** **Duration:** December 2024 – February 2025 (Remote)
  Trishastik Technology Pvt. Ltd.
  - Completed a Full Stack Web Development internship to develop real-life solutions using the MERN stack.
  - Created **"Trishastik Bharat Sustainable Farms"**, retail to farmer direct connect to promote sustaintable agriculture.
  - Developed using **EJS**, **Tailwind CSS**, **Node.js**, **Express.js**, and **MongoDB**.
  - Why farmer: User Authentication, Product Listing by Farmers, Direct Purchase options to Users.
  - Employed Structured SDLC methodology for gathering requirements, development and testing.

Projects

1. **Trishastik Bharat Sustainable Farm** **GitHub** | **Live**
   - Built a full–stack platform that connects farmers with buyers and promotes sustainable farming.
   - Designed the UI using **EJS** and **Tailwind CSS**, focusing on clarity and simple navigation.
   - Developed backend modules with **Node.js**, **Express.js**, and **MongoDB** for secure data flow.
   - Added product listing, user accounts, authentication, and direct order placement features.
   - Followed an MVC structure to keep the code maintainable and easy to scale.

2. **AgniMind : Customer Support AI Agent** **GitHub**

- Built an AI–driven support assistant using **Node.js**, **Express.js**, **EJS**, and **MongoDB**.
- Integrated the **Google Gemini API** for real–time, context–aware replies.
- Created a clean chat interface with EJS templates and Tailwind for a smooth user experience.
- Added an admin panel to manage FAQs, update the knowledge base, and control bot behavior.
- Designed the system so it can be trained and adapted for any business domain.

3. **Metronex : Lucknow Metro Route Planner** **GitHub | Live**

- Developed a complete metro-navigation tool using **Next.js**, **TypeScript**, and **Tailwind CSS**.
- Added features like shortest–route search, nearest station finder, tourist spot explorer, and smart-card utilities.
- Used **Dijkstra's Algorithm** for route planning, **BFS** for nearest station detection, and **Fuse.js** for quick suggestions.
- Built fast API endpoints with the **Next.js App Router** and **MongoDB**.
- Designed a responsive UI using shadcn components with a focus on speed and readability.

Technical Skills

- **Programming Languages**: C, C++ , Java , Python , HTML, CSS, JavaScript
- **Developer Tools and Platforms**: Visual Studio Code, GitHub, Bootstrap, Appwrite, Sanity, MagicUI, Shadcn, AceternityUI
- **MERN Stack**: MongoDB, Express.js, React.js,Next.js, Node.js
- **Databases and Storage Systems:**: MongoDB, MySQL
- **Operating Systems**: Windows, Linux

Key courses taken

C++ Programming,Advanced Python, Data Structure and Algorithm, Object-Oriented Programming (OOP), Computer Organization and Architecture, DBMS, Cloud Computing, Distributed Systems, Operating System, Computer Networks, Probability and Stochastics, Operating Systems, Computer Networks, Artificial intelligence (AI)

Certifications

- **The Complete Web Development Bootcamp**
  Udemy
- **Merit Certificate for Top 0.1% Performance in CBSE 10th Board**
  Central Board of Secondary Education (CBSE)
- **Certificate of Participation - Regional Level Cricket Trial Meet (Selected for Nationals)**
  Navodaya Vidyalaya Samiti, RO Lucknow
- **Hindi Language Promotion Award - Best Student (District Level)**
  Nagar Rajbhasha Karyanvayan Samiti, Ministry of Home Affairs

Positions and Responsibilities

•**Assistant Student Placement Coordinator**
Training and Placement Cell, NIT Mizoram May 2024 - Present

•**Core Member - Android Development**
Google Developer Groups (GDG) On Campus, NIT Mizoram Nov 2023 - Present

Achievements

•**Solved 200+ DSA Questions on GeeksForGeeks: Gained a deeper understanding of the basic concepts of DSA (Data Structure and Algorithms), practiced rigorously, solved various problems and improved my problem solving skills.**

•**Selected for National Level Trial Meet in Cricket Represented JNV in regional-level Under-17cricket trial meet and got selected for the national level trials conducted by Navodaya Vidyalaya Samiti (NVS).** 2018

•**Cluster Kabaddi: As Kabaddi under 50 kg playing represented JNV at inter-CT sports meet.** 2019

•**District Level Best Student Award for Hindi Promotion: Received from Aryawart Bank and Nagar Rajbhasha Karyanvayan Samiti under the Ministry of Home Affairs for promotion of Hindi language.** 2018,2019

•**CBSE Merit Certificate: Given to those who secure top 0.1% of all candidates passing the CBSE Class 10 board examination.** 2020

Hobbies

- **Competitive Programming**
- **Reading Hindu Mythological and Fictions in Free Time**
- **General Knowledge and Current Affairs Discussion**
